Freedman Seating Product Announcements

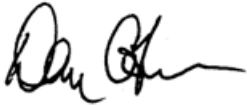

Due to low volume and/or product availability, Freedman Seating is discontinuing the seats and seat options on the attached sheet. These product eliminations will also help us streamline production and assist with our efforts to increase production capacity. We will no longer accept orders for these products after June 30,2023. We strongly encourage you to see if you have demand for any of these items in your backlog and have not yet ordered the seats. We understand that unanticipated needs arise, and we will be as flexible as possible to accommodate any needs after 6/30/23.

At the same time, please note the following:

- We are increasing the price of side slider kits and notch-back foldaways.
- FTA foam will be limited to certain seats.

Please contact your Freedman Seating representative if you have any questions.

Sincerely,

Dan Cohen
