

New tooling produces a sleek, single-mold shell without compromising the CitiSeat's strength and durability.

*Flip and foldaway seats will continue to use the existing shell

**ONE MOLDED SHELL
(RIGID 1-PL ONLY)**

Reduces assembly time and resources, offsetting a price increase on the previous version.

**SLEEK DESIGN
WITH LESS PARTS**

No longer requires two fasteners on the front of cosmetic shell.

**DURABLE AND
VERSATILE**

Meets all APTA white book specs. Existing options & accessories unchanged.

**STANDARD
COLORS**

Custom colors available. Minimums may apply.
