

Freedman Seating Company  
Environmental Policy Statement

Freedman Seating Company is committed to managing the environmental impact of our operations. It is our policy to assure the environmental integrity and sustainability of our processes and facilities at all times. We will:

- ❖ Implement procedures to minimize the generation of waste, enable recycling and the reuse of materials, and minimize the consumption of energy and other natural resources.
- ❖ Provide the necessary training and support to enable successful environmental management implementation.
- ❖ Encourage participation among our employees by promoting environmental responsibility.
- ❖ Establish objectives and targets, measure progress, report our results, and solicit input from employees, suppliers, and customers to continually improve our environmental management performance.
- ❖ Inform suppliers of our commitment to environmental management and sustainability and offer encouragement to adopt similar practices.
