

ALPHA

ALPHA

Features:

- The ALPHA's stylish design includes greater ergonomic functionality, which provides enhanced lumbar and head/neck support.
- Alpha's headrest is designed for not only styling but additional form, fit, and function too.
- The back of the seat integrates the ultimate development of foams to serve as an impact absorber for the passengers in the event of frontal crash.
- Amaya's ALPHA offers the same well known extra legroom, showcasing it's thinner seatback design.
- The shoulder belt begins on the top of the backrest to avoid back and shoulder discomfort (children under 49" height need a booster seat for proper seating).
- A "5-Year Warranty" on the mechanical seat recline mechanism.
- Cushions backrests and headrests made from fire retardant and high resilient polyurethane foam for enhanced safety and durability.

Options:

- ADA compliant.
- Fold up center armrest.
- Automatic retractable footrest.
- Rubber or rigid cup holder.
- Mesh magazine pocket.
- Snack or airline style table.
- Self-positioning reclining mechanism.
- Grab-handle.
- 110 V / USB outlets.
